

## Daily Bible Reading - 2013

This is a daily Bible reading listing for the year 2013. With this arrangement, you read the whole Bible in a year, but in the chronological order of events. So, for example, many of the Psalms are included with the readings for historical books, because they were written at the time of those events. Likewise, the writings of prophets are included with contemporary historical events. You may make copies of this list or distribute it any way that you wish. I hope that everyone will read the Bible through this year.

Cordially in Christ,

Warren Doud
